

UXToolset.com license

Licensing agreement

By purchasing the UX Toolset ("Item") you are being granted a license to use this file for specific uses under certain conditions.

This license grants the user an ongoing, non-exclusive, worldwide license to utilize the digital work ("Item").

You are licensed to use purchased Item to create unlimited End Products for yourself or for your clients and the End Product may be sold, licensed, sub-licensed or freely distributed.

You are allowed to

- This is a 'multi-use' license, which means you may use an Item multiple times, in multiple commercial and personal projects.
- You may create an End Product for a client.
- You may create an End Product for personal or commercial use.
- Modify colours, style and the look & feel of the Item to fit your brand, product and requirements.
- You may combine the Item with other works and make a derivative work from it. The resulting works are subject to the terms of this license.

You are not allowed to

- Sell, redistribute, lease, license, sub-license UX toolset as a stock, template, on marketplaces, etc. You cannot do this with an Item either on its own or bundled with other items, and even if you modify the Item. Even for free.
- Share a single license with multiple users.
- Modify the original artwork in order to resell under own brand.
- Use the Item in editable format in templates for sale on marketplaces, stock websites, etc.

Other terms

- You are not required to attribute or link to UX Toolset in any of your projects.
- All the rights for fonts, photos, mockups, etc. used in Item are reserved by their legal owners and are presented in the Item for demonstrating purposes.
- We are not responsible for any outcome that may occur during the course of usage of our resources.

Team license

If you're a team you must purchase the Team License. The item purchased under the Team License may be distributed over the team members up to the number of licenses you own. That means you may send or upload it to a version control app (like Plant App, Abstract, etc.) to your teammates in an amount of your license. This license is suitable for all corporate and commercial organizations, business entities and groups working together.

License termination

This license can be terminated at any time, if you breach it. If that happens, you must stop using the Item and delete it from your computers and other devices.
